## Integrity Gate

JBLM is putting the finishing touches on its new Integrity Gate (Wharf Rd and DuPont-Steilacoom Rd). Construction starts Jan 20 and is slated to finish on Aug 31. Most of the work will be on the shoulders and little impact to traffic should occur. The work includes a new signal. If you have questions, please contact Jeff Tollar at JBLM; he'll answer in 24-48 hrs. [Jeffrey.A.Tollar@usace.army.mil](mailto:Jeffrey.A.Tollar@usace.army.mil)

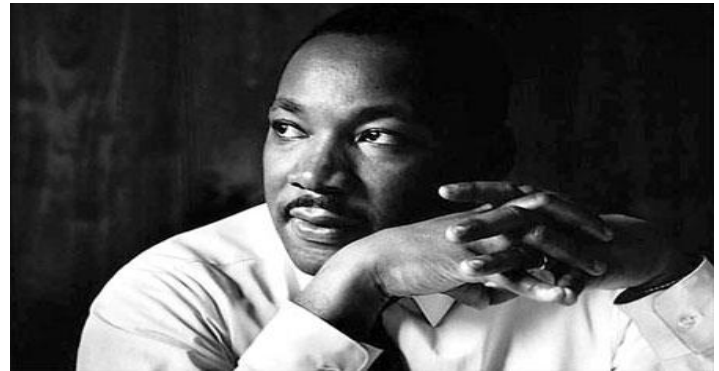

## From the Chief:

The Police Department has received a request for action and numerous complaints from our citizens concerning speeding vehicles during peak morning traffic hours in the area of Hoffman Hill, Ridgeview and Brown Avenues. There is concern for pedestrian safety, especially with the many school children in the area. Yesterday, on January 16, we started a traffic enforcement emphasis program in the area, focusing on Ridgeview between McNeil and Brown Streets. We will continue this emphasis until January 30th- mainly in the morning hours, in an attempt to slow traffic down and keep the roads safe.

What this means is that officers will be high profile in the areas listed above- we won't be hiding! We would appreciate as much citizen cooperation over this issue as possible, to prevent accidents and injuries from occurring. Citizens who have questions and concerns are welcome to contact the officers who are engaged in this emphasis. I am also available by phone any time and would be happy to meet with you on this or any other issue concerning the DuPont PD or community safety. Have a wonderful weekend!

## From the CA to Chief:

Chief, thanks for sending me the photo of the new vehicle model you want to order for DuPont PD. You were right, it is quite nice. Yes, I'm sure it gets the job done. After exactly no thought on this...not gonna happen, sorry. (OK, that was a joke. Chief Sheehan really wanted Corvettes!)

*We may have all come on different ships,  
but we're in the same boat now.*
